

BEST BAR NONE NEWSLETTER

Harrow Best Bar None scheme will be launching their 4th year in September 2019.

The scheme is free to join and easy to participate in, you won't have to supply any additional documents than you are already required to have under other legislation, and the benefits include reduced insurance rates as part of a nationally recognised scheme as well as more potential customers coming through the doors when they see you are one of the **best** in the area!

Here are some of the winners from earlier this year who attended our awards evening in March 2019 and received their plaques and bouquets. We'd love to get all licensed premises in Harrow involved and will be providing more information later in the year on how you can enter, and the prizes on offer to winners in each category.

Huge congratulations to Frosty's Bar, who entered for the first time this year, winning 'Best Newcomer', and 'Best Independent Venue'.

They were also crowned **Overall Winner** and were presented with our Gold Prosecco Bottle Trophy which they get to keep for a year.....maybe YOU could win it next year and proudly display it behind YOUR bar!

Frosty's Bar, 404 Kenton Road, Harrow, HA3 9DW

The scheme is easy to enter and is basically a compliance check. One of our friendly Assessors will visit your premises at a pre-arranged time (no unannounced spot checks!) and go through the questionnaire with you to check that all your certificates and insurances are in place. Don't worry if you don't have documents to hand, these can be e-mailed in the following days and you will still be entered. All those who pass will receive accreditation plaques which can be displayed at your premises entrance.

To help you prepare for your assessment the following, who have been with the scheme since its inception, will be offering mentoring and support services. They have been through the accreditation process themselves and are here to help you. Get in touch with us if you would the help of one of our friendly mentors.
